Updates:

Added: 7/27 DIBELS date announced. Scheduled to be completed in time for inclusion in evaluations. See above for details.

Modified: 7/27 PSAT date changed from 10/27 to the correct date of 10/25

Modified 6/26: ACT testing date and make up date declared

Modified: 6/26 In SY 16-17 the Civics Window was open continously for all grades. This year, there are mandatory windows in both first and second semesters for 12th graders, regardless of their "on track" status, who have yet to pass. 8th and 11th grade windows remain optional but students should be afforded at least one opportunity to test in one of the two window. Students yet to pass may be tested more frequently at the schools descretion. Please see the above Civics cells for more details as the ending dates have also changed.

Added: 6/22 SAI is an online survey administered through ADE regarding principals. This window has been set for Mar 5 - 16

Modified: 6/22 The School Quality Survey windows for staff, students, and parents have all been set to Jan. 8 - Feb 2.

Modified: 6/22 The CTE exam window is set by ADE and will not be available until mid-July. The window noted from last year should be close to the windows for this year. Future updates to come.
